

Dining for Women

2013 Annual Report

Dear Friends,

The power of collective giving continues to transform lives. In 2013, our passionate and dedicated members funded 21 grants in 14 countries with grants totaling \$697,848. By year's end, 430 chapters had made 26,091 individual donations to our selected programs. 2013 saw huge growth in DFW's organizational capacity, historic monthly program donations for our featured programs, record breaking fundraising campaign totals and our largest annual conference ever, in celebration of our tenth anniversary! Here are just a few of the highlights from 2013:

- Hundreds of DFW members gathered in Greenville, S.C., for a joyful weekend celebration of our tenth anniversary.
- Our Mother's Day fundraising campaign, Raise for Women Challenge, generated \$6,786, demonstrating our members' commitment to assuring DFW's sustainability and organizational vibrancy.
- A crucial staff position was added to our team: Program Director, a position which oversees the grant making process, a vital function of Dining for Women.
- Four international trips to Vietnam, Guatemala, India and Indonesia took DFW travelers to visit 10 organizations previously funded by DFW.
- People Magazine highlighted DFW in the September 23, 2013 issue.
- In November, the Board of Directors re-visioned DFW's mission, vision and values, emphasizing our focus on fostering gender equality in our grant making and creating a culture that embodies collaboration, education, inspiration and transformation.
- 2013's 13th Month Campaign raised a record \$147,000 for operational expenses.

Follow-up reports from grantees revealed outcomes of reduced maternal and infant mortality in Nepal as a result of One Heart Worldwide's **Network of Safety** program for mothers and babies; educational success for secondary students through Starfish One by One's innovative **Bridge program** for indigenous, adolescent Mayan girls in Guatemala; increased economic stability for women and children from BOMA's **REAP Rural Entrepreneur Access Project** in Northern Kenya; and developing confident leaders among preteen girls in Burma's **Girl Determined** project. The direct impact of DFW funding is powerful. The indirect ripple effect is immeasurable.

In the past 10 years, DFW chapters have donated almost \$3,000,000 for grassroots programs that benefit women and girls worldwide. Engaged and inspired by the educational mission of DFW, our members continue to envision global transformation fueled by the power of collective giving. Thank you to all of our members, volunteers, chapter leaders, board members and friends of DFW for an impactful year for the women and girls we serve, and the thousands of DFW supporters who believe that together, we can change the world one dinner at a time.
