

## Chapter Leader Talking Points February 2011

### Featured Program: *Prevention International: No Cervical Cancer, El Salvador*

- **Project:** Enable physicians to run sustainable cervical cancer screening and treatment clinics in El Salvador.
- **Our Goal: \$32,000** to support PINCC's efforts in El Salvador for their 2011 campaign on cervical cancer prevention.
- **Monthly Theme: Cervical Cancer in the Developing World.** Although it is preventable and treatable, [cervical cancer](#) continues to be a major killer of women in developing countries.
