**Adopt a Village: $5,000**

$3,600 – salary and expenses for Village Health Agent Ifigine Louis
$1,400 – medicine, gasoline to transport supplies, etc. to provide health care and health education to a village of nearly 3,000 people:

This year alone, with your help, Ifigine Louis, (pictured below) worked hard to provide 457 children under the age of 5 with full immunizations (DPT, Polio, Measles/German measles and BCG), to immunize 85% of women who are of child bearing age (including 50% of teenage girls) against Tetanus Toxoid, to distribute 151 Vitamin A capsules (there were no reports of night blindness this year), to give 1,020 multivitamins with iron to malnourished children, to provide 60 iodine capsules to children to help prevent mental retardation, anemia and goiter, to treat several cases of bacterial pneumonia, and much more.
Center of Hope: $5,000

Breakdown of Expenses (length of stay is usually 1-3 months)

Ambulance: $50 each x 10 women = $500
Staff Support (Doctors, Nurses, etc.): $150 each x 10 women = $1,500
Food: $100 each x 10 women = $1,000
Medicine and Lab Work: $105 each x 10 women = $1,050
Laundry, Water, etc.: $20 each x 10 women = $200
Delivery Fees: $75 each x 10 women = $750

These 10 women and their beautiful newborn children are alive and healthy because of the generosity of DFW.

On their behalf, the Haitian Health Foundation would like to extend a heartfelt “merci”!
