Featured Program Monthly theme: Building a Sustainable Future by Creating a Culture of Inclusion
“Goats for Widows” – Health in Harmony, Indonesia

Recommended by the DFW Peru travel group, we will fund the purchase of a generator.

Monthly Program Materials
We are so pleased to make available additional education materials to enrich your meetings. Please pass this message on to your members and upcoming program presenters. See each program webpage for access to the materials. You will also find a list of speaker contacts.

Note: At this time we are using Dropbox to simplify the availability and publishing of our program materials due to our limited volunteer and paid staff resources. Dropbox also allows us to make available large files, which are limited using web links.

We recognize that Dropbox printing is not a one step process. To print a file, it must first be downloaded and printed from your own desktop. We will continue to work to improve the availability of educational resources while balancing the ease of access for our members and effective use of our DFW resources.
