

2018 GRANTEES JANUARY-JUNE

JANUARY ASIA INITIATIVES · INDIA By using unique and innovative Social Capital Credits, this project aims to reduce poverty and generate income and food security for women in 10 villages. This includes establishing small-scale poultry farming, raising nutritional levels, and developing saving habits among the women.

FEBRUARY SACRED VALLEY HEALTH · PERU This project focuses on improving the nutritional status of children and the economic empowerment of women by training Community Health Workers to disseminate targeted nutrition information in rural, underserved communities impacted by malnutrition.

MARCH WOMEN'S JUSTICE INITIATIVE · GUATEMALA By developing a network of Community Advocates who will serve as local leaders, provide workshops, and link vulnerable women and girls to legal services, this project aims to increase access to justice for Maya women and prevent violence against women and girls.

APRIL AFRICAN WOMEN RISING · UGANDA The purpose of this project is to help women in Northern Uganda, including South Sudanese refugees, increase their food security and improve their health by teaching them to grow their own food through permagardens.

MAY THE BATONGA FOUNDATION · BENIN This project uses technology (a cost-effective cell phone application) to locate the most vulnerable, hardest-to-reach, at-risk girls in Benin and create 64 Girls' Clubs to improve these girls' academic and economic opportunities.

JUNE HAITI PROJECTS · HAITI Through beekeeping, this project aims to break gender stereotypes in Haiti, to create income-generating activities, to foster women-run businesses, and to promote environmental stewardship.
