JULY

## Liberia RESTORE HOPE: LIBERIA

This project will fund the training of local mental health facilitators to support women and girls who have experienced years of civil war, an Ebola epidemic, and pervasive gender-based violence in Liberia.

## Lebanon Refugee Protection International

This project will help Syrian refugee women and girls in Lebanon to obtain documentation, birth registration, schooling, and access to services so they will have more stability and hope in their lives.

AUGUST

SEPTEMBER

## Cambodia Kids Play International

The goal of this project is to improve gender equity in rural Cambodia through sport-based education programs that reduce negative gender stereotypes, improve the leadership skills of girls and women, and shift the community toward more gender equitable beliefs and behaviors.

## Kenya Global Fund for Widows

By providing knowledge, legal, economic, and social support, this project will help Kenyan widows to claim their rightful place in Kenyan society.

OCTOBER

NOVEMBER

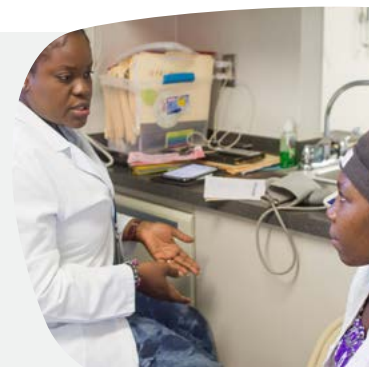

## Democratic Republic of the Congo Resolve Network

This project helps demobilized women combatants to sustainably reintegrate into civilian life through psychosocial counseling, group therapy, trauma recovery, a seed sharing program, and school gardens.

## Haiti Care 2 Communities

This project will fund a new Sexual and Reproductive Health Education Program in Haiti in order to reach young women who currently have no access to family planning or antenatal services.
